

# GROWING YOUR KIDS IN THE FAITH PARENT RESOURCE

## Strengthen Your Relationship with God

**Grow in your faith through  
Prayer and Scripture.**

This is the foundation of all  
that we do, including raising  
children.

For help in these areas,  
check out the resources  
**The Lord's Prayer Guide**  
and our selection of  
**Bible reading plans**  
at [orewabaptist.com](http://orewabaptist.com).

## Be On Guard

**Areas of vulnerability.**

*What are your children  
being exposed to via school,  
entertainment, online,  
social media, etc.?*

*What practical things can  
you do to help safeguard  
your child's heart, eyes and  
mind?*

## Prayer

**Pray for & with your kids  
each evening.**

*Ask your kids for any prayer  
requests that come to mind.*

*Teach them to pray. See  
**The Lord's Prayer Guide for  
Kids***

*Ask God to keep nourishing  
the "good seeds" and that  
the "bad seeds" would be  
uprooted from their life.*

## Teach Them the Word

**Read the Bible with your kids.**  
Check out these resources:

**The Jesus Storybook Bible**  
(ages 2-8)

**The Big Little Bible**  
(ages 8-10)

**The Adventure Bible**  
(ages 10-14)

**NLT Teen Life Application  
Study Bible**

*Try picking a "verse of the  
month" to memorise as a  
family.*

## Be the Example

**Let your kids see you grow  
spiritually.**

*Read your bible and  
devotionals in the living  
room.*

*Have them serve with you  
in the church.*

*Share with them  
something you've learned  
recently in your own  
spiritual walk.*

## Help Your Kids See God Working

**Share your testimony with  
your kids.**

*How did you become a  
follower of Jesus?*

*When God does something  
in your life or in the life of  
someone you know, talk to  
your kids about it.*

*On a beautiful day, draw  
your kid's attention to the  
creativity of God.*
