

THE LORD'S PRAYER

This guide is to help you know our amazing God through prayer! He loves you so much and wants you to know how great He is and how much He loves you!

01

'Our Father in heaven, we pray that your name will always be kept holy.

Take a moment to worship God. Stop & think about how awesome He is! He created the world and you! What will you say to him?

"Heavenly Father, I worship you because..."
"You are amazing because..."

02

We pray that your kingdom will come, that what you want will be done, here on earth as it is in heaven.

God's will is perfect! Pray that what He desires will take place in your life and in the world around you today.

"I pray that your perfect will is done today. Help me to know what you want me to do to show your love in the world today."

03

Give us the food we need for each day.

Think of what you need to make it through the day. Pray for the needs of others as well.

"Please give me and others everything we need today. Give us food, courage, strength and ..."

04

Forgive the sins we have done, just as we have forgiven those who did wrong to us.

No one is perfect but God still loves us and forgives us!

"I pray that you would forgive me for the times I do wrong things. Help me to forgive others the same way you've forgiven me."

05

And do not cause us to be tested; but save us from the Evil One.'

Pray that God would lead you into truth and goodness and that he would protect you from anything that would seek to harm you.

"Lead me into truth today. I trust you. I pray that you would help me make good decisions. Thank you for watching over me!"

06

Closing your prayer time.

Take a moment to talk to God about anything else that's on your mind. He's listening! Close your prayer by praising & thanking God!

"I pray for..."
"I pray about..."
"Thank you for hearing me. I praise you because you are mighty and..."
